PROFILE

Passionate and experienced full-stack developer with a proven track record of success in designing, developing, and deploying high-quality web applications. Adept at utilizing a wide range of technologies, including React JS, React Native, Redux, Express JS and Node JS. Proven ability to work independently and as part of a team to achieve common goals. Expertise in troubleshooting and resolving technical issues.

WORK EXPERIENCE

Fullstack developer
2022-01 - current

Joymon AB
I've worked as a full stack develope(focused frontend) at Joymon AB for 2 years (still working at same company). I'v worked mostly with React JS, React Native, Express JS and Firebase.

Care assistant
2018-06 - 2022

Karlskrona kummon - Pantern äldreboende
I worked during 3 summers and the job was to take care of the elderly who lived with us.
